Title: Book Store Christmas

Author: DeadBob & Tang

'Twas TWO NIGHTS
before Christmas,
when all through UO,

Not a creature was
stirring,
there was nowhere to go.

The Book Store was
decorated with care,

In hopes that people
their Christmas would
share.

The vendors were splended
in red, white and green,

With prices so low
they just had to be
seen,

DeadBob in his castle,
and Tang in her house,
Had just put out
presents
for players to browse.

When out on their lawns
there arose many
moongates,

As players descended
upon their estates.

"Merry Christmas and
Welcome!"
the hosts did exclaim,

They greeted each guest
and called them by name.

Ladies Aalia of
Winterbreeze
and Andrasta of Goodman!

Maling and Julia,
Shinobi and Aaron!

Now Jester, Sabrina,
Denis, Dead Poet,

Spogfrawn, Connor,
Jerry Only, Wolfhet!

Now Tinkerbelle, Rachel,
Blackfox, Thebob!
Ghost, Hunter Moon,
Alicia and Robb!

Nath Maezorothe, Moddessa
and Chi Ken the Brother,

Wizzax, Berbella, Tiny
Dancer and many'other!
All flew to the rooms
where hidden treasure,

Awaited the finders, much
to their pleasure.

Free marties and arties
and items of quest,
Checks, weapons and
armor
-only the best.
